

COMMUNITY BASED ORGANIZATION (CBO) WORK BOOK FOR SULLIVAN COUNTY, NEW YORK

Purpose: This workbook is intended to serve as a resource guide of programs and services designed to enhance our health and well-being.

Description: Included in this work book are the listings of community based organizations in the county. The categories are described and listed alphabetically.

COMMUNITY BASED HEALTH EDUCATION PROGRAMS INCLUDING FOR HEALTH PROFESSIONS/STUDENTS

Community based health education programs are designed to reach people outside of traditional health care settings. These settings may include schools, worksites, health care facilities, and community organizations. Educational and community-based programs encourage and enhance health and wellness by educating community members on topics such as chronic diseases, injury and violence prevention, mental illness/behavioral health, unintended pregnancy, oral health, tobacco use, substance abuse, nutrition and obesity prevention, and physical activity.

PEER SUPPORTS (RECOVERY COACHES)

Peer supports are designed and delivered by people (recovery coaches) who have experienced both substance use disorder with subsequent success in recovery. As such, these peers bring a myriad of experiential firsthand knowledge to help people become and stay engaged in the recovery process and reduce the possibility of relapse. The services can effectively extend beyond the clinical setting into the everyday environment of those seeking to achieve or sustain recovery.
