DSRIP PPS Update

OCTOBER 2, 2014

CRHI DSRIP Leadership Records Planning Process Webinar for NYS Department of Health

The New York State Department of Health recently tapped our leadership team to deliver a DSRIP planning process webinar.

The webinar covered Performing Provider System development, governance, facilitating the planning process, conducting a DSRIP community needs assessment, stakeholder communications, and lessons learned. News of the State’s recognition of our PPS’ planning process webinar was recently featured in Crain’s Health Pulse.

CNA Survey Receiving Solid Participation So Far

Kudos to all our partners for the work they’ve done to date to help us enlist many CNA survey participants. So far, approximately 1,100 people in the seven-county region have taken the survey. The survey is available electronically and in paper.

**Spotlight: October 9 DSRIP Program Summit**

Please register now for our October 9 DSRIP Program Summit. This will be an all-day summit at the Hilton Garden Inn in Newburgh. We plan to present a report from the Hudson Valley Community Needs Assessment, provide updates on the project planning process and seek stakeholders’ input and feedback on draft project plans.

Because of space constraints, attendance will be capped and limited to no more than two senior representatives per PAC member. Registration is required by October 3 — even for those who may have previously responded to our save-the-date. Click here for full details. There will be a recap webinar on October 20. Click here to register.

**Planning Roadmap**

As we move closer to our December project plan deadline, we want to share with our partners and colleagues a quick roadmap of our activities to date and short-term plans. Contact us at crhi@wcmc.com with any questions regarding our planning process.
